

- (b) the identity of the sponsor or the grantor and, if a subcontract is involved, the identity of the prime contractor if the results of the research must be reported to the sponsor, grantor, or prime contractor; and
- (c) the purpose and scope of the proposed research in sufficient detail (i) to permit informal discussion concerning the wisdom of such research within the University and (ii) to inform colleagues in immediate and related disciplines of the nature and importance of the potential contribution to the disciplines involved.

Subd. 2. Open Dissemination of Research Results.

The University shall not accept support for any research under a contract or grant if the contract or grant limits the full and prompt public dissemination of results or specifically permits the retroactive classification of results as nonpublic, except for reasons found compelling through a review process specified in administrative procedures.

Subd. 3. Retroactive Restrictions on Research Results.

If a sponsor imposes restrictions on the disclosure of research results after the research has begun, the University shall reevaluate whether to continue the work. In the reevaluation, the University shall apply the provisions of this policy and a review process specified in administrative procedures.

Subd. 4. Use of Facilities.

University facilities shall not be available for research that violates this policy. Any exceptions shall be considered through a review process specified in administrative procedures.

## SECTION V. PUBLICATION.

The following provisions shall govern the publication of research results:

Subd. 1. University's Right to Publish.

The University reserves the right to publish and present research results, individually and in collaboration with other researchers. When a research sponsor requests prior review, the University shall provide an opportunity for review of the manuscript or presentation materials and will consider suggested modifications prior to publication.

Subd. 2. Attribution.

Publications by the University shall properly acknowledge the financial support and other contributions of research sponsors.

Subd. 3. Brand and Trade Names.

Publication and presentation of research results by either the University or the sponsor shall not include commercial brands or trade names unless such brand or trade name is essential to the description of the research.

Subd. 4. Publicity.

Research grants and contracts may provide that University researchers must obtain prior written approval from the sponsor for any prepublication publicity regarding the research results.

Subd. 5. Authorization for Research Sponsor to Publish.

If the University elects not to publish research results, the research sponsor may publish them with the University's consent, which shall not be unreasonably denied.

SECTION VI. USE OF UNIVERSITY NAME.

The name of the University shall not be used in any way by research sponsors for advertising purposes.

SECTION VII. DELEGATION OF AUTHORITY.
