

---

This policy governs the private practice of dentistry by the faculty of the University of Minnesota (University) School of Dentistry. Consulting activities that do not constitute the practice of dentistry, as determined by the president or delegate, shall be governed by Board of Regents Policy:

(AHC) shall mean the University of Minnesota Academic Health Center.

shall mean the University of Minnesota School of Dentistry.

shall mean the person designated by the president to carry out this private practice plan.

The private practice of dentistry shall be conducted so as to contribute significantly to achieving the mission of the School of Dentistry in teaching, research, and clinical care.

The private practice of dentistry shall be conducted so as to promote the reputation of the School of Dentistry.

Where University assets are used in connection with the private practice of dentistry, such assets shall be used in support of the mission of the School of Dentistry and pursuant to appropriate rules and controls established by the president or delegate.

Faculty compensation shall reflect relative contributions to all the School of Dentistry functions of teaching, research, administration, and clinical care. Compensation limitations shall take into account generally recognized standards for academic medical centers, local market conditions, the value of University faculty appointments and their benefits, and other relevant factors.

School of Dentistry faculty members must comply with applicable law; University, AHC, and School of Dentistry policies; and recognized professional standards.

The president or delegate shall be responsible for assuring, consistent with contractual obligations and limitations, compliance with this policy.

The University shall continue to govern academic issues.

School of Dentistry faculty members remain subject to current and future Board of Regents policies.

The president or delegate shall establish operating procedures for the implementation of this policy and for assuring that appropriate controls, including audits, are in place.

All contracts, agreements, and operating procedures shall be reviewed by the president or delegate for compliance with this policy.
