

BOARD OF REGENTS POLICY:
Private Practice Plan –

Subd. 3. Use of Assets.

Where University assets are used in connection with the private practice of medicine, such assets shall be used in support of the mission of the Medical School and pursuant to appropriate rules and controls established by the president or delegate.

Subd. 4. Faculty Compensation.

Faculty compensation shall reflect relative contributions to all the Medical School functions of teaching, research, administration, and clinical care. Compensation limitations shall take into account generally
