

BOARD OF REGENTS POLICY: *Student Education Records*

SECTION I. SCOPE.

This policy governs information maintained by the University of Minnesota (University) in the performance of its functions as an educational institution regarding enrolled or prospective students.

SECTION II. GUIDING PRINCIPLE.

The University shall maintain the privacy of student education records. Student education records shall be disclosed only to the student, to persons within the University with a legitimate educational interest, to persons authorized by the student to receive the student's education records, and to persons authorized to
